

How it works:

Blue Dog is always looking for ways to give back to the communities it operates within. In any given market that we are operating and many that we are yet to be in, Blue Dog is finding ways to give back by donating up to 5% of any proceeds that Blue Dog earns from processing your business payments. Many of these include charities, cause campaigns, and other philanthropic programs.

If you're a Blue Dog Customer and you have a charity or cause that you would like us to be involved with, please complete the following form and hit the submit button to start donating.
